

Forces of Change - Threats and Opportunities Worksheet

List the major Forces of Change for your category in the left-hand column ("Forces"). Then, identify the threats and opportunities for the public health system or community created by each. Continue onto another page if needed. Please try to write as neatly as possible. *Note: Some forces may not yield both threats AND opportunities, nor do forces require an equal amount of each.*

Forces (Trend, Events, Factors)	Threats Posed	Opportunities Created
